## Location

The conference will be held in Lisbon, Portugal at the IST Congress Center.

The capital of Portugal since its conquest from the Moor in 1147, Lisbon is a legendary city with over 20 centuries of History.

Lisbon, also known as the "town of seven hills", due to its excellent location, washed in the west by the Atlantic Ocean, offers a moderate climate.

Lisbon is one of the European capitals where night is enjoyed to the full. The riverside, with its wealth of pavement cafés, bars and discos or in the more traditional Bairro Alto, have a drink and a dance. In the Alfama and Bairro Alto, listen to fado, songs from Portuguese soul, played here in the Lisbon style.
